

the opportunity to participate in any of its programs or activities or to receive any of its services provided at a facility on the ground that the program operates a separate or different program, activity or facility that is specifically designed to serve handicapped persons.

(c) In determining the geographic site or location of a facility, a legal services program may not make selections that have the purpose or effect of excluding handicapped persons from, denying them the benefits of, or otherwise subjecting them to discrimination under any program or activity of the legal services program.

(d)(1) A legal services program that employs a total of fifteen or more persons, regardless of whether such persons are employed at one or more locations, shall provide, when necessary, appropriate auxiliary aids to persons with impaired sensory, manual or speaking skills, in order to afford such persons an equal opportunity to benefit from the legal services program's services. A legal services program is not required to maintain such aids at all times, provided they can be obtained on reasonable notice.

(2) The Corporation may require legal services programs with fewer than fifteen employees to provide auxiliary aids where the provision of such aids would not significantly impair the ability of the legal services program to provide its services.

(3) For the purpose of §1624.4(d) (1) and (2), auxiliary aids include, but are not limited to, brailled and taped material, interpreters, telecommunications equipment for the deaf, and other aids for persons with impaired hearing, speech or vision.

(e) A legal services program shall take reasonable steps to insure that communications with its applicants, employees, and beneficiaries are available to persons with impaired vision and hearing.

(f) A legal services program may not deny handicapped persons the opportunity to participate as members of or in the meetings or activities of any planning or advisory board or process established by or conducted by the legal services program, including but not limited to meetings and activities

conducted in response to the requirements of part 1620 of these regulations.

**§ 1624.5 Accessibility of legal services.**

(a) No qualified handicapped person shall, because a legal services program's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination by any legal services program.

(b) A legal services program shall conduct its programs and activities so that, when viewed in their entirety, they are readily accessible to and usable by handicapped persons. This paragraph does not necessarily require a legal services program to make each of its existing facilities or every part of an existing facility accessible to and usable by handicapped persons, or require a legal services program to make structural changes in existing facilities when other methods are effective in achieving compliance. In choosing among available methods for meeting the requirements of this paragraph, a legal services program shall give priority to those methods that offer legal services to handicapped persons in the most integrated setting appropriate.

(c) A legal services program shall, to the maximum extent feasible, insure that new facilities that it rents or purchases are accessible to handicapped persons. Prior to entering into any lease or contract for the purchase of a building, a legal services program shall submit a statement to the appropriate Regional Office certifying that the facilities covered by the lease or contract will be accessible to handicapped persons, or if the facilities will not be accessible, a detailed description of the efforts the program made to obtain accessible space, the reasons why the inaccessible facility was nevertheless selected, and the specific steps that will be taken by the legal services program to insure that its services are accessible to handicapped persons who would otherwise use that facility. After a statement certifying facility accessibility has been submitted, additional statements need not be resubmitted with respect to the same facility, unless substantial changes have been

made in the facility that affect its accessibility.

(d) A legal services program shall ensure that new facilities designed or constructed for it are readily accessible to and usable by handicapped persons. Alterations to existing facilities shall, to the maximum extent feasible, be designed and constructed to make the altered facilities readily accessible to and usable by handicapped persons.

**§ 1624.6 Employment.**

(a) No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment by any legal services program.

(b) A legal services program shall make all decisions concerning employment under any program or activity to which this part applies in a manner that insures that discrimination on the basis of handicap does not occur, and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(c) The prohibition against discrimination in employment applies to the following activities:

(1) Recruitment, advertising, and the processing of applications for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, and rehiring;

(3) Rates of pay or any other form of compensation and changes in compensation;

(4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

(5) Leaves of absence, sick leave, or any other leave;

(6) Fringe benefits available by virtue of employment, whether or not administered by the legal services program;

(7) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;

(8) Employer sponsored activities, including social or recreational programs; and

(9) Any other term, condition, or privilege of employment.

(d) A legal services program may not participate in any contractual or other relationship with persons, agencies, organizations or other entities such as, but not limited to, employment and referral agencies, labor unions, organizations providing or administering fringe benefits to employees of the legal services program, and organizations providing training and apprenticeship programs, if the practices of such person, agency, organization, or other entity have the effect of subjecting qualified handicapped applicants or employees to discrimination prohibited by this paragraph.

(e) A legal services program shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant or employee unless the accommodation would impose an undue hardship on the operation of the program.

(1) For purposes of this paragraph (e), reasonable accommodation may include (i) making facilities used by employees readily accessible to and usable by handicapped persons, and (ii) job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices, the provision of readers or interpreters, and other similar actions.

(2) In determining whether an accommodation would impose an undue hardship on the operation of a legal services program, factors to be considered include, but are not limited to, the overall size of the legal services program with respect to number of employees, number and type of facilities, and size of budget, and the nature and costs of the accommodation needed.

(3) A legal services program may not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for the denial is a need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

(f) A legal services program may not use employment tests or criteria that discriminate against handicapped persons, and shall insure that employment tests are adapted for use by persons
